

Call for applications:
POGO-SCOR Visiting Fellowship 2021

The Partnership for Observation of the Global Ocean (POGO) and Scientific Committee on Oceanic Research (SCOR) are pleased to announce that the POGO-SCOR Visiting Fellowship programme for 2021 is now open for applications.

The deadline for applications is 30 April 2021.

The scheme is designed to promote training and capacity development, leading towards a global observation scheme for the oceans, and is aimed at scientists, technicians, graduate students (preferably PhD) and post-doctoral fellows involved in oceanographic work at centres in developing countries and countries with economies in transition.

Priority is given to applicants in the early stages of their career development. The fellowship offers the opportunity to visit other oceanographic centres for a short period (1 to 3 months) for training on aspects of oceanographic observations, analyses, and interpretation. It provides financial support to cover the return airfare from the fellow's home country to the host institution, and a contribution towards accommodation and subsistence for the period of the visit.

For more information and details on how to apply please see: <https://pogo-ocean.org/capacity-development/pogo-scor-fellowship-programme/>

All applications should be made via the marinettraining.eu website, at <https://marinettraining.eu/node/4613>

Please e-mail pogoadmin@pml.ac.uk should you have any queries and feel free to circulate this announcement to anyone you think might be interested.
